WEBINAR SERIES

AI in Mzansi's classrooms webinar series

WEBINAR 1

**Navigating AI,
Learning and
Safety in South
African schools**

THURSDAY, 10TH SEPT

15:00 - 16:30 PM SAST

WEBINAR 2

**The Changing
Classroom: AI,
Teachers and
School
Governance**

WEDNESDAY, 16TH SEPT

15:00 - 16:30 PM SAST

WEBINAR 3

**Keeping Pace: AI
Policy and the
Education
Ecosystem**

WEDNESDAY, 23RD SEPT

15:00 - 16:30 PM SAST

Join us for this three-part national webinar series exploring what AI means for South African basic education (grades R to 12), from how learners think & learn, to the changing role of teachers & schools, to the policy choices that will shape what comes next. Hear from researchers, teachers & sector leaders as we unpack the latest evidence, hear local perspectives & make sense of AI in education together.
